Conference Norms

- **This is a participatory, non-attribution forum...help everyone understand your point of view...respect everyone's right to do the same**
- **Recognize now that we must develop a team approach and at times, may sacrifice optimum performance for universality**
- **Let the facilitators and team leaders do their jobs, they're here to help us stay focused and on track**
- **We're constrained by time...help us work through an aggressive agenda**
- **We're attacking tough, complex issues...expect to teach *and* learn, stay flexible**
- **Keep the right level of detail and granularity for the entire audience and conference objectives**
- **Minimize side-bars, wait to be recognized, and stay focused on the matter at hand**
